of LaFayette is bright, and that, with  
its wonderful undeveloped resources  
which are now commanding the atten-  
tion of outside capitalists, in a few  
years it will be in the front rank in the  
production of naval stores, lumber and  
agriculture.

Always Liberal to Churches.

Every church will be given a liberal  
quantity of L. & M. paint. Call for it.  
4 gallons Longman & Martinez L. &  
M. paint mixed with three gallons lin-  
seed oil will paint a house.

W. B. Barr, Charleston, W. Va.,  
writes: "Painted Frankenburg block  
with L. & M. Stands out as though  
varnished."

Wears and covers like gold.  
Don't pay \$1.50 a gallon for linseed  
oil, which you do in ready-for-use  
paint.

Buy oil fresh from the barrel at 30  
cents per gallon and mix it with L.  
& M.

It makes paint cost about \$1.20 per  
gallon.

Sold by S. J. Thomas, Gainesville;  
J. O. Bickel, Alachua.

## ANOTHER IMPORTANT NAVAL STORES DEAL

Immense Turpentine Farm of J.  
B. McDonald Changes Hands.

23 CROPS ARE IN OPERATION

This Farm, Situated in the Vicinity of  
Fairbanks, is One of the Largest and  
Most Profitable in the County—D. E.  
Godwin, Manager.

Another deal of more than ordinary  
importance in naval stores circles has  
been consummated in this city. C. W.  
Chase having purchased from J. B. Mc-  
Donald his immense naval stores inter-  
ests situated at Fairbanks, and embrac-  
ing an area of several thousand acres of  
fine timber, and twenty-three crops in  
operation. This is one of the most ex-  
tensive and has proved one of the most  
profitable turpentine farms in the  
county. It was established about five  
years ago by B. F. McCall, who, after  
working the same a couple of years,  
sold the property to J. B. McDonald &  
Co. Mr. McDonald acquired eventual-  
ly the entire business, and has been  
operating it continuously until the  
transfer was made to Mr. Chase.

Mr. Chase, the purchaser of this  
farm, is president of the Dutton Phos-  
phate Company, who are among the  
most extensive miners of high-grade  
phosphate rock in the United States.  
He has always been active in building  
up the commercial interests of this  
section of the State, and to his excel-  
lent business management is largely  
due the magnificent success of that  
firm. Always conservative in his busi-  
ness ideas and views, his associates  
hold his opinion in confidence, and he  
is regarded as one of the safest direc-  
tors of large business affairs in the  
State.

Mr. McDonald could not be seen by  
the reporter, hence it is not known  
what his future plans will be, but it is  
reported that he will engage in busi-  
ness in Denver, Colo.

D. E. Godwin has been installed as  
manager of this property.

## A NEW APPOINTMENT.

torate of Augusta Church.

the congregation of the Second Bap-  
tist Church of Augusta. Mr. Holley  
will resign his Bamberg charge next  
Sunday, and will assume the pastorate  
at Augusta immediately.

The appointment is a good one. The  
church has a membership of 500, and  
has on foot a movement looking to-  
wards the erection of a \$25,000 edifice.  
Friends of Mr. Holley in this city  
and State will congratulate him.
